

JOIN THE LEADING GLOBAL COMMUNITY ADVANCING Neurocritical Care

The Neurocritical Care Society (NCS) is proud to be the only professional society representing multidisciplinary teams of neurocritical care providers around the world whose mission is to improve outcomes for patients with life-threatening neurological illnesses.

Every member of a neurocritical care team plays a vital role in achieving optimal patient outcomes. As a highly collaborative organization, every NCS member can help move the organization — and the field of neurocritical care — forward.

Benefits for Multidisciplinary Neurocritical Care Teams

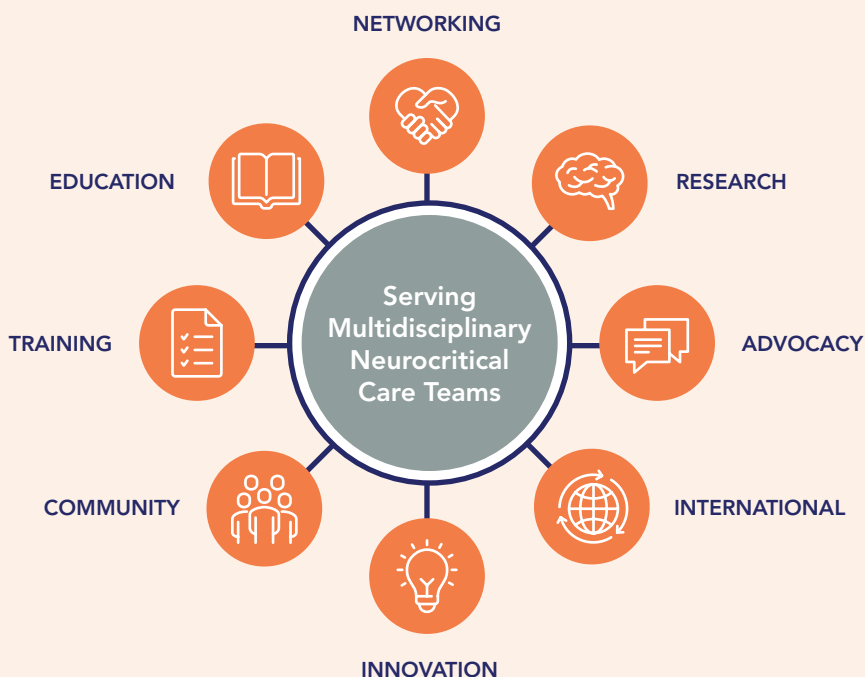

From peer-reviewed publications and timely content to grants and leadership opportunities, NCS offers a wide variety of benefits exclusive to members:

- Digital subscription to *Neurocritical Care*, the official NCS journal

- Discounted registration rates for the NCS Annual Meeting
- Various networking opportunities with a global neurocritical care community
- Access to online, member-only discussion forums, including section-specific communities
- Discounts on NCS educational products
- Global Partners/Dual membership discounts
- Complimentary job and fellowship postings on the NCS website
- Eligibility for various awards, including Best Abstract, Young Investigator, and grants at the NCS Annual Meeting
- Eligibility to become a Fellow of NCS (FNCS)

An Inclusive Society With Membership Options to Meet You Where You Are

NCS takes pride in how we seek and encourage inclusivity — it is in our international and multidisciplinary nature. To meet the diverse needs of our community, NCS offers a variety of membership classifications by professions — for physicians, nurses, pharmacists, students, residents and more — as well as geographical location, available at tiered pricing.

Join our growing community of more than 3,000 neurocritical care providers from 50 different countries.

Join NCS today!
